

Expired Quote Usage Request Email Information Widget

Widget Use

Renders the body text of the Expired Quote Usage Request email, which is sent to alert your business a user wants to use an expired quote.

Where can the Widget be placed?

The widget can be used in the following templates:

- [Expired Quote Usage Request Email Template](#)

Widget Options

Option	Use	Comments	Available from Version
Description	A short description of the widget's use.	We recommend this field be updated so the widget's purpose is clear at a glance from the template page.	All
Layer	The layer the widget is valid for.	The layering technology allows for the content to be shown to specific audiences. This is handy if the content is only valid for a certain type of user, or if the same widget is required for more than one audience but different configurations are needed. The widget can be added to the zone more than once and the layer feature can determine which audience can see each widget.	All
Message	Message body text	Default: Expired Quote is being used.	4.34
Quote Number Label	Label for the system-generated quote number	Default: Quote Number	4.34
User Requesting Label	Label for user who made the request	Default: User Requesting Use	4.34
User Message Label	Label for message entered by user	Default: User Message	4.34
