

Delivery Options - Click And Collect Widget

(Formerly known as the Cart Delivery Options Store Click And Collect Widget)

Widget Use

Allows the User to select either the Delivery or Pickup option while still in the shopping cart. For sites using the Click and Collect functionality.

Example of Widget Use

Following is an example of the widget in use:

Where can the Widget be placed?

The widget can be used in the following templates:

- Cart Template

Widget Options

Option	Use	Comments	Available from Version
Description	A short specific description of the widget's use.	This description is added to the widget title. It makes the widget's use clear on the template page.	All
Layer	The layer the widget is valid for.	Use layering to limit widget content to certain groups of users. To use the same widget for more than one user group but with different options set, add the widget as many times as needed in the same zone. Then add layering to define the user group each time.	All
Delivery Options Heading	The heading text displayed at the top of the widget.	Default: Delivery Options	3.81
Delivery Options Heading Icon	The icon displayed to the left of the heading text.	Default: cv-ico-general-shipping Select from dropdown list.	3.81
Delivery Option Delivery Prompt	The text displayed for the Delivery option.	Default: Delivery	3.81
Delivery Option Pickup Prompt	The text displayed for the Pickup option.	Default: Pickup	3.81

Default Address Mode	<p>Delivery Options in Cart will default to the delivery mode selected here when the Website User has added a 'My Store' (preferred) location. (Only for sites that allow Users to set a preferred location.)</p> 	<p>Default: None</p> <p>Change to 'Delivery' or 'Pickup' from dropdown list or leave it at 'None' for no delivery option to default.</p>	4.31
----------------------	---	--	------
