

General Email Widgets

General email widgets are typically in all email templates.

- [Email Company Information Widget](#) — Renders company contact information in email output.
- [Email Style Sheet Widget](#) — Sets the background colours for the email template.
- [Email Title Offline Order Widget](#) — Displays the email title or heading on Order Confirmation and Order Shipped emails for non-web ('offline') orders.
- [Email Title Widget](#) — Displays the email title or heading.
