(This link will expire in 60 minutes)

Thanks,

Commerce Vision

Where can the Widget be placed?

- Magic Link Authentication Email Template

Widget Options

Option	Use	Comments	Available from Version
Description	A short description of the widget's use.	We recommend this field be updated so the widget's purpose is clear at a glance from the template page.	All
Layer	The layer the widget is valid for.	<p>The layering technology allows for the content to be shown to specific audiences.</p> <p>This is handy if the content is only valid for a certain type of user, or if the same widget is required for more than one audience, but different configuration is needed.</p> <p>The widget can be added to the zone more than once and the layer feature can determine which audience can see each widget.</p>	All

Message	Message with login link sent to user to login without a password.	<p>Default:</p> <p>Hello,</p> <p>Please click here to login to {Website Name}.</p> <p>Click to log in OR copy and paste this URL into your browser {Magic Link URL}</p> <p>(This link will expire in {Magic Link Expiration Minutes} minutes.)</p> <p>Thanks,</p> <p>{Website Name}</p> <p>Placeholders available:</p> <ul style="list-style-type: none"> • {Website Name} - your business name added in system settings • {Magic Link Expiration Minutes} - link expiry set • {Magic Link URL} - magic link <p>NOTE - The Magic Link URL placeholder appends to your site address URL.</p>	4.38
