

# User Debtor New User Details Widget

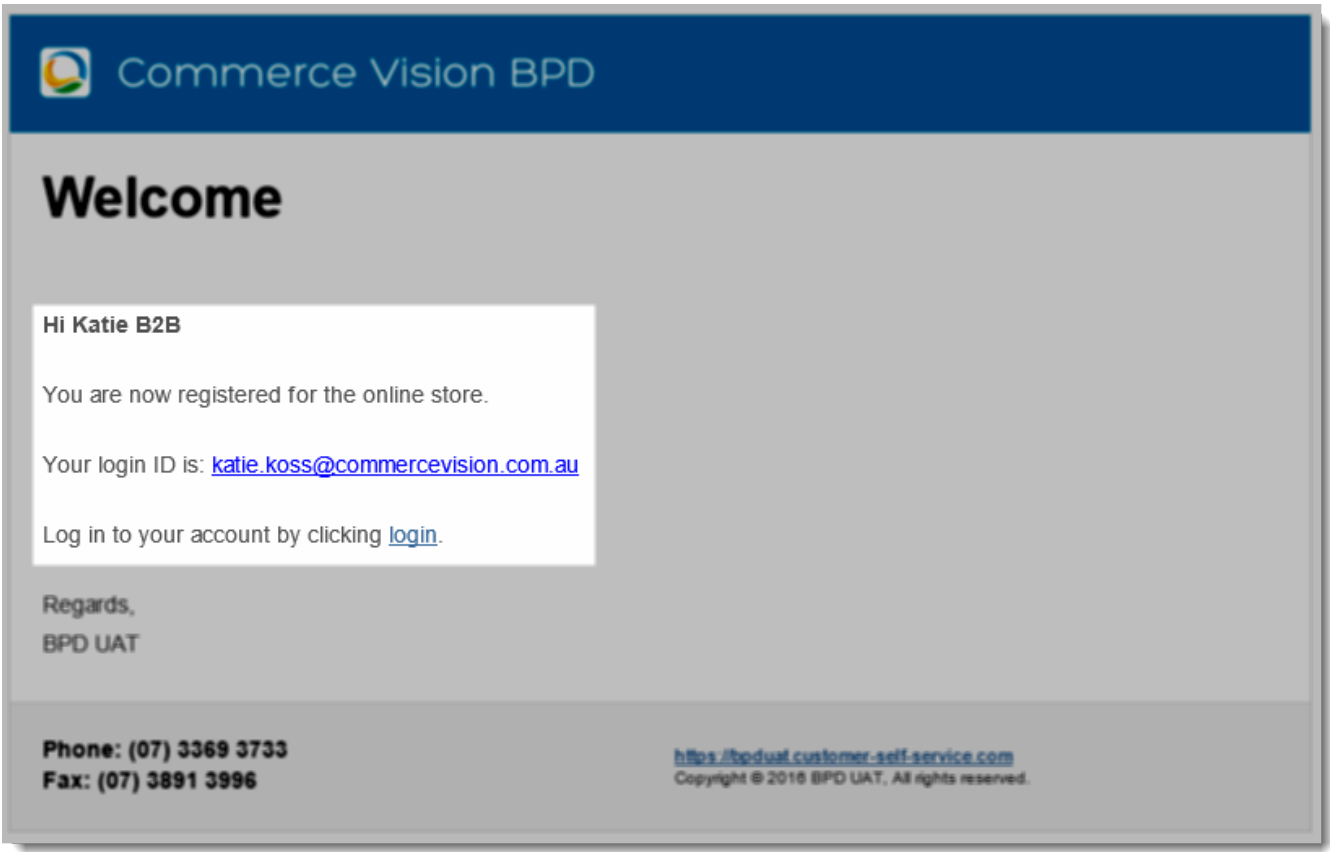

(Formerly known as the User For Customer Registration widget)

## Widget Use

Renders the message content in the User Debtor New User email. This email is triggered when User Debtor 2-way Integration has been implemented and a new online user is created against an ERP customer account.

## Example of Widget Use

Following is an example of the widget in use:

## Where can the Widget be placed?

The widget can be used in the following templates:

- User Debtor New User Email Template

## Widget Options

Option	Use	Comments	Available from Version
--------	-----	----------	------------------------

Description	A short description of the widget's use.	We recommend this field be updated so the widget's purpose is clear at a glance from the template page.	All
Layer	The layer the widget is valid for.	<p>The <a href="#">layering technology</a> allows for the content to be shown to specific audiences.</p> <p>This is handy if the content is only valid for a certain type of user, or if the same widget is required for more than one audience but different configurations are needed.</p> <p>The widget can be added to the zone more than once and the layer feature can determine which audience can see each widget.</p>	All
Include Surname?	Determines whether the user's surname is included in the email greeting.	<p>Default: OFF</p> <p>Toggle to enable</p>	3.88
Registered Message	<p>Section 1 of the message content displayed by the widget in the body of the email.</p> <p>This section contains the user's login ID (which replaces the placeholder {0}).</p>	<p>Default:</p> <p>You are now registered for the online store.</p> <p>Your login ID is: {0}</p>	3.88
Login Message	<p>Section 2 of the message content displayed by the widget in the body of the email.</p> <p>This section contains the link for the approving user to login and review the users awaiting approval on their account.</p>	<p>Default: Log in to your account by clicking {0}.</p>	3.88
Login Link Text	The text used for the login hyperlink.	<p>Default: login</p>	3.88
New User Password Message	The 'click here to set your password' text sent to newly created web users. The placeholder {0} is replaced by the text in the 'Set Password Text' field.	<p>Default: Set your password on your account by clicking {0}.</p>	3.88
Set Password Text	The text that replaces the {0} placeholder in the 'New User Password Message'.	<p>Default: set password</p>	3.88
Show User Exists Message?	Determines whether the 'User Exists Message' is sent to existing web users whose email addresses are entered against an ERP debtor.	<p>Default: OFF</p> <p>Toggle to enable</p>	3.88
User Exists Message	The text sent to existing web users.	<p>Default:</p> <p>We found that you are already registered for the online store.</p> <p>Your login ID is: {0}</p>	3.88
