

# Cart Cancel Quote Button Widget

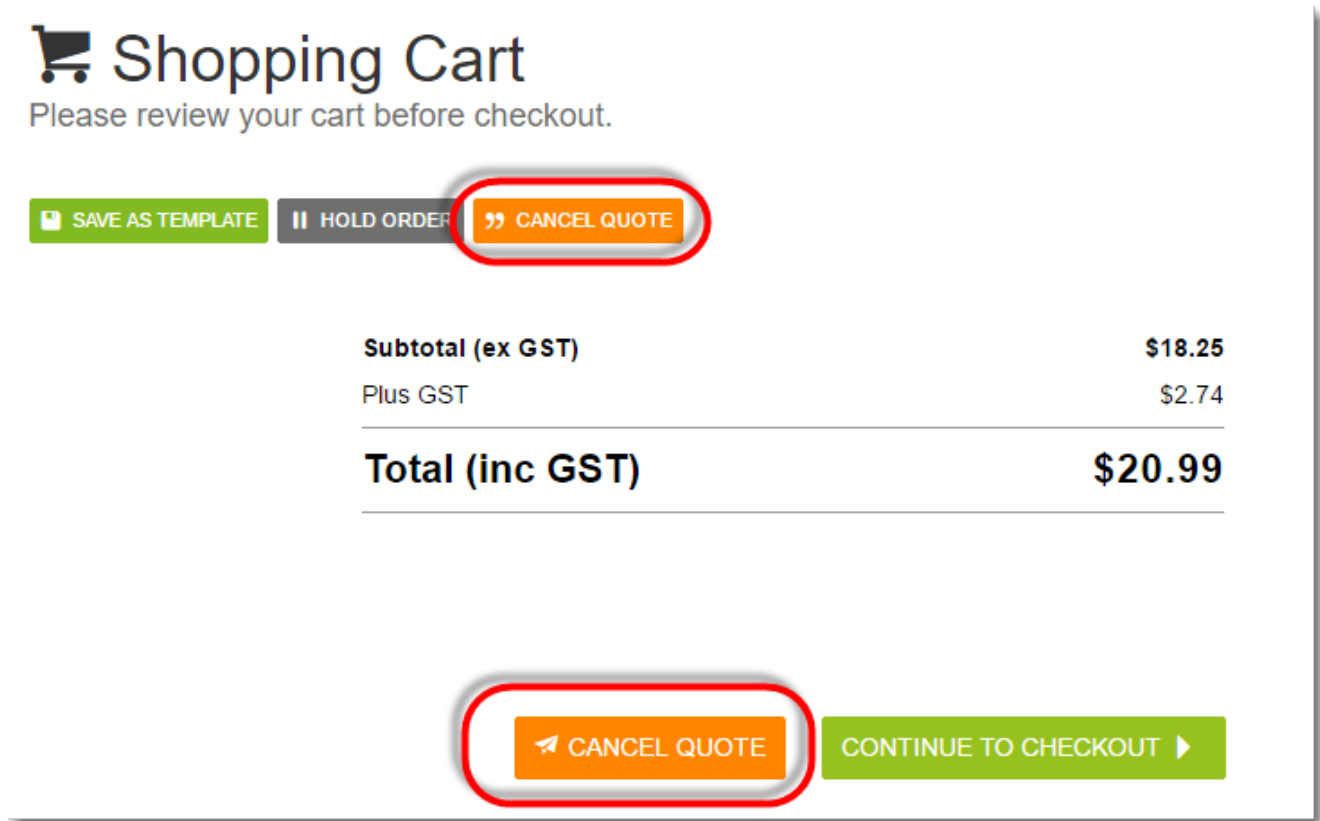

## Widget Use

Renders the 'Cancel Quote' button in the cart and during checkout (once the user has added items and opted to 'Request Quote'). Clicking this removes the items from the cart and cancel the quote request.

Note - this functionality only applies when the site's Order Quoting Mode is set to 'Pronto approved' and the role has quotes enabled.

## Example of Widget Use

Following is an example of the widget in use:

## Where can the Widget be placed?

The widget can be used in the following templates:

- Cart Template

## Widget Options

Option	Use	Comments	Available from Version
Description	A short description of the widget's use.	We recommend this field be updated so the widget's purpose is clear at a glance from the template page.	All
Layer	The layer the widget is valid for.	<p>The <a href="#">layering technology</a> allows for the content to be shown to specific audiences.</p> <p>This is handy if the content is only valid for a certain type of user, or if the same widget is required for more than one audience, but different configurations are needed.</p> <p>The widget can be added to the zone more than once and the layer feature can determine which audience can see each widget.</p>	All

Button Prompt	The text displayed on the button.	Default: Cancel Quote	3.91
Button Icon	The icon displayed to the left of the button text.	Default: cv-ico-general-paperplane	3.91
