Technical Specifications

Brand

PENN

Description

- Extra-duty felt is ideal for hard court play.
- Natural rubber offers a consistent feel and reduced shock.
- Interlocked wool fiber for longer wear; deep elastic seams prevent cracking.

Commercial - Penn Tennis Balls - You've seen one. You've seen them all.

Where can the Widget be placed?

The widget can be used in the following templates:

- Product Detail Template

Widget Options

Option	Use	Comments	Available from Version
Description	A short specific description of the widget's use.	This description is added to the widget title. It makes the widget's use clear on the template page.	All

Layer	The layer the widget is valid for.	Use layering to limit widget content to certain groups of users. To use the same widget for more than one user group but with different options set, add the widget as many times as needed in the same zone. Then add layering to define the user group each time.	All
Video Tag	The widget will display only videos with this tag. If no applicable videos exist, the widget will not render.	This tag is added to the video in Product Maintenance.	All
Vimeo Text Colour	The hex colour code for the title and other text on Vimeo videos.	Default: bc3d54	All
Show Heading?	Whether heading / title text is displayed at the top of the widget.	Default: enabled Toggle to disable	All
Heading Text	The heading text displayed (where enabled).		All
