

Social Links Widget

Widget Use

Inserts social media icons that link to the business's social media pages.

Example of Widget Use

Where can the Widget be placed?

The widget can be used in the following templates:

- All Page Templates
- Theme Layout Template (recommended)
- Email Templates (recommended)

Widget Options

Option	Use	Comments	Available from Version
Description	The description of the widget	It is recommended to use this so the reason for use of the widget is seen from the template page	All
Layer	The layer that the widget will be shown on	<p>The layering technology allows for the content to be shown to specific audiences.</p> <p>This is handy if the content is only valid for a certain type of user, or if the same widget is required for more than one audience, but different configuration is needed.</p> <p>The widget can be added to the zone more than once and the layer feature can determine which audience can see each widget.</p>	All
Facebook URL	The URL that links to the business's Facebook page. This will display on the site as a Facebook logo.	This will not render if left empty	All
Twitter URL	The URL that links to the business's Twitter page. This will display on the site as a Twitter logo.	This will not render if left empty	All
Instagram URL	The URL that links to the business's Instagram page. This will display on the site as a Instagram logo.	This will not render if left empty	All
Pinterest URL	The URL that links to the business's Pinterest page. This will display on the site as a Pinterest logo.	This will not render if left empty	All
You Tube URL	The URL that links to the business's YouTube page. This will display on the site as a YouTube logo.	This will not render if left empty	All
LinkedIn URL	The URL that links to the business's LinkedIn page. This will display on the site as a LinkedIn logo.	This will not render if left empty	All
Vimeo URL	The URL that links to the business's Vimeo page. This will display on the site as a Vimeo logo.	This will not render if left empty	3.84
Is Displayed On Email?	Determines whether the Social links are displayed on emails. This option will only take effect if the if the widget is configured on an Email Template. We recommend ticking this option on email templates only.	<p>Default is: Unticked</p> <p>Tick to Enable</p>	All
Social Links Display Order	Determines the sequence in which social icons are displayed. Drag and drop to re-order them.	Links with no URL populated will not render at all.	4.03
