Renders the Pay in 4 Messaging separately in the Checkout page.

Example of Widget Use

Following is an example of the widget in use:

Where can the Widget be placed?

The widget can be used in the following templates:

- Checkout Template

Widget Options

Option	Use	Comments	Available from Version
Description	A short description of the widget's use.	We recommend this field be updated so the widget's purpose is clear at a glance from the template page.	All
Layer	The layer the widget is valid for.	<p>The layering technology allows for the content to be shown to specific audiences.</p> <p>This is handy if the content is only valid for a certain type of user, or if the same widget is required for more than one audience, but different configurations are needed.</p> <p>The widget can be added to the zone more than once and the layer feature can determine which audience can see each widget.</p>	All

PayPal Pay Later Messaging Options	<p>Provides options for displaying the Pay in 4 message.</p> <ul style="list-style-type: none">• Layout : text or flex (banner)• Logo type: primary, alternative, none• Logo position: left, right, top• Text colour: black, white, monochrome, grayscale• Text size: 12-16• Text alignment: left, right, center• Colour (for banner background): various, Default: blue• Width to height ratio (for banner): various.
