The Cart Summary link can open a popup window for the user to preview cart contents. This allows them to check product quantities and costs without leaving the current page viewed.

From 4.37+, users will be able to edit quantities and remove products in Cart Preview. Simply turn the feature on or off in the Cart Summary Widget. Unknown macro: 'multiexcerpt'

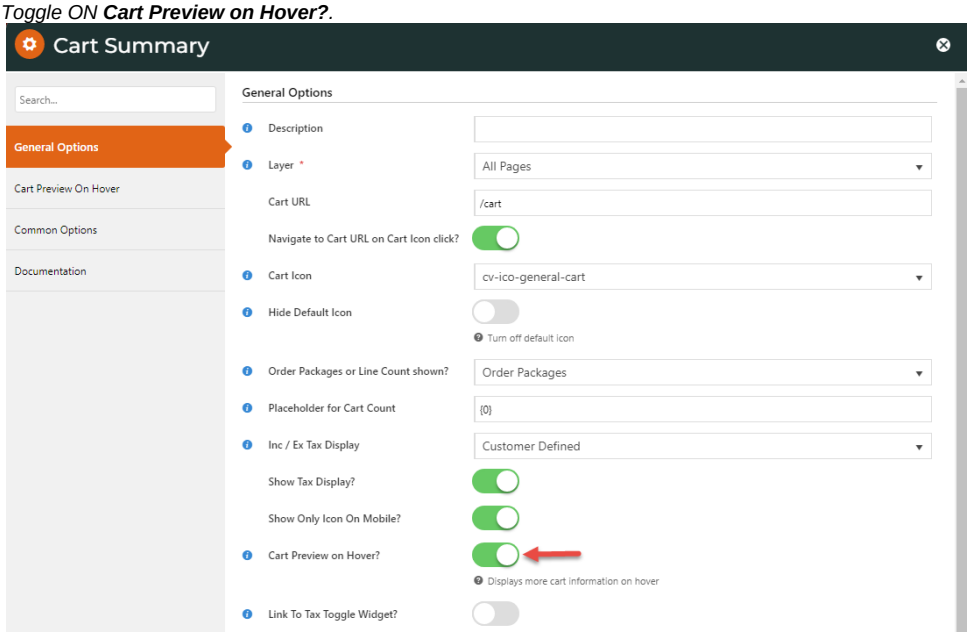

Step-by-step guide

Add Cart Preview on Hover

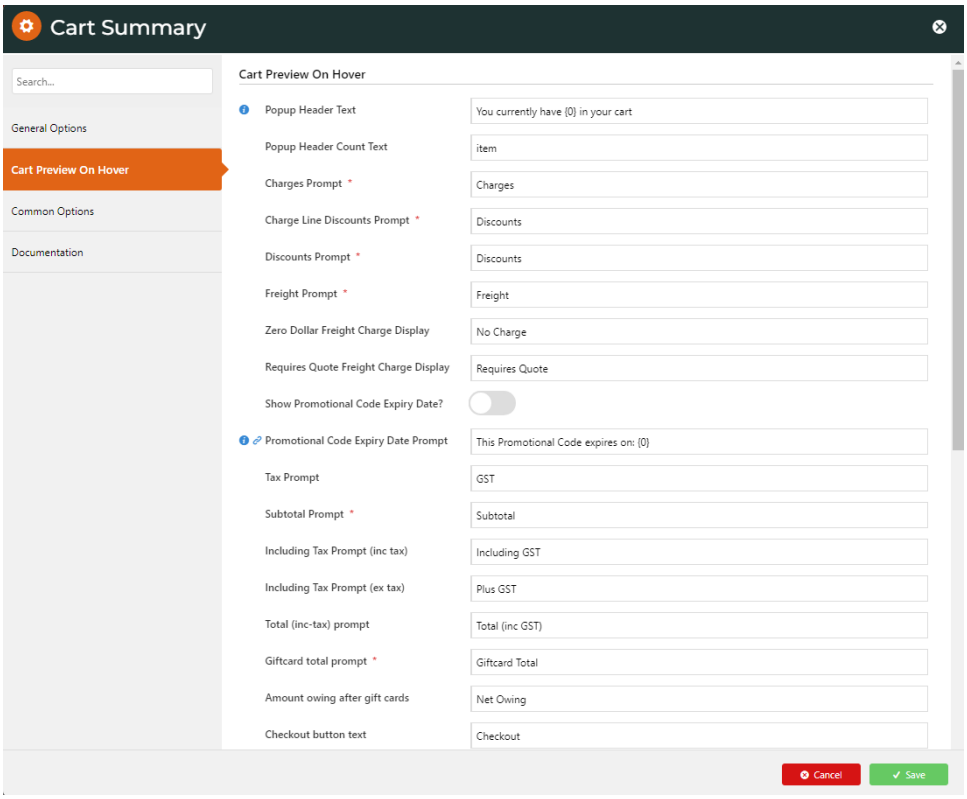

1. *In the CMS, go to **Content Theme Layout**.*
2. *Find the **Cart Summary Widget** and click **Edit**.*

3. *Toggle ON **Cart Preview on Hover?**.*

4. *Click the **Cart Preview On Hover** tab.*

5. *Edit values and options as required. **TIP -** As a preview window, you may want to be selective about what order info should be displayed. From 4.37+, you can allow the user to edit quantities and delete order lines. See: Cart Summary Widget.*

6. *Click **Save**.*

Allow Quantity Updates in Cart Preview

For versions 4.37+ only

In the Cart Summary Widget:

1. *Click **Cart Preview** on the Hover tab.*
2. *Toggle ON **Enable Cart Editing?**.*
3. (Optional) *Toggle ON **Enable Cart Editing Auto Update?** to automatically update cart totals without manual updating by the user.*

Test Cart Preview

Once you have updated Cart Preview, check that the popup contents and functions are as you require.

1. *In another browser or incognito window, launch your website. **TIP -** This will ensure the window's contents reflect updated settings and not any cached ones.*
2. *Add products to the cart.*
3. *Hover the mouse over the cart link.*
4. *Check the window displays as configured.*
