

# Orders: Order's total amount and tax separately displayed in Order History search

For Order Tracking/History search results, you can now enable an order's total to be displayed in exploded mode so that the total (incl. tax), total (exc. tax) and tax amount are all displayed, in separate columns.

## Exploded mode

Search Results

5 records (1 page)

Export to CSV

\$2,048.30  
Inc. GST \$186.20

Order Date	Invoice No.	Invoice Date	Customer Code	Status	Total (ex)	Total (inc)	GST	Options
31/10/2016	10001090	31/10/2016	WAFFA - Affaire	Complete	\$372.42	\$409.66	\$37.24	View

## Unexploded mode

Order Date	Invoice No.	Invoice Date	Customer Code	Status	Total (ex)	Options
