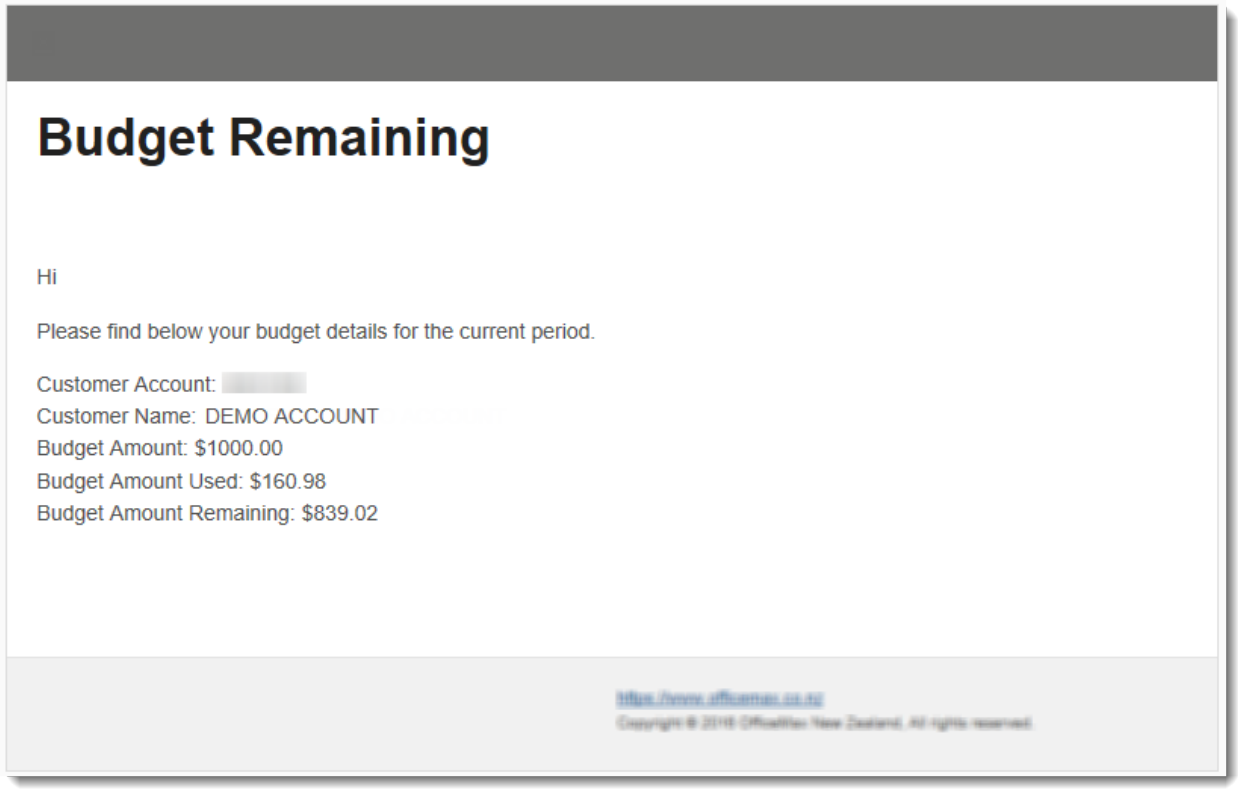
Example of Widget Use



Where can the Widget be placed?

The widget can be used in the following templates:

- Budget Remaining Email Template

Widget Options

Option	Use	Comments	Available from Version
Description	A short description of the widget's use.	We recommend this field be updated so the widget's purpose is clear at a glance from the template page.	All
Layer	The layer the widget is valid for.	The layering technology allows for the content to be shown to specific audiences. This is handy if the content is only valid for a certain type of user, or if the same widget is required for more than one audience, but different configuration is needed. The widget can be added to the zone more than once and the layer feature can determine which audience can see each widget.	All

Budget Remaining Message	The message text displayed by the widget in email output. The placeholders '{XXX}' are replaced by the actual values applicable to that user.	Hi Please find below your budget details for the current period. Customer Account: {customerCode} Customer Name: {customerName} Budget Amount: {budgetAmount} Budget Amount Used: {budgetAmountUsed} Budget Amount Remaining: {budgetAmountRemaining}	3.88
