

Cluster Category Widget Library

- [Cluster Line Is Compulsory Widget](#) — Renders an icon and text to indicate compulsory products in a cluster.
- [Cluster Line Suggested Qty Widget](#) — Renders a prompt plus numeric value to indicate the suggested purchase quantity for products in a cluster.
- [Hotspot Image Widget](#) — Renders the hotspot banner in a cluster category. When a user clicks on a product image on the banner, they are taken to the product on the cluster page.
