# Warranty Claim Reset Button Widget

## Widget Use

Renders the Reset button on the Warranty Claim entry form. Clicking this will reset all fields to blank (or back to their default values).

## Example of Widget Use

Following is an example of the widget in use:

## Where can the Widget be placed?

The widget can be used in the following templates:

* Warranty Claim Entry Template

## Widget Options

| Option | Use | Comments | Available from Version |
|---|---|---|---|
| Description | A short description of the widget's use. | We recommended this field be updated so the widget's purpose is clear at a glance from the template page. | All |
| Layer | The layer the widget is valid for. | The layering technology allows for the content to be shown to specific audiences. This is handy if the content is only valid for a certain type of user, or if the same widget is required for more than one audience, but different configuration is needed. The widget can be added to the zone more than once and the layer feature can determine which audience can see each widget. | All |
| Button Label | The text displayed on the Reset button. | Default is: Reset Warranty Claim | 3.95 |
