Renamed Widgets

From time to time, we may rename widgets so they are more user-friendly or need updating due to changes in industry standards.

General name changes

- 'modal' is now 'popup'
- 'Auto Part Registration' is now 'B2B Registration' to better reflect their function
- 'attribute' is now 'variant'

TIP - If you're trying to add a widget to a template, make sure you search with the new name.
