Your User Id: katie.koss@commercevision.com.au

Your Email Address: katie.koss@commercevision.com.au

Reset Password: Reset password

Log in to your account by clicking the reset link above.

Regards,

BPD UAT

Where can the Widget be placed?

The widget can be used in the following templates:

- Password Recovery Email Template

Widget Options

Option	Use	Comments	Available from Version
Description	A short description of the widget's use.	We recommended this field be updated so the widget's purpose is clear at a glance from the template page.	All
Layer	The layer the widget is valid for.	The layering technology allows for the content to be shown to specific audiences. This is handy if the content is only valid for a certain type of user, or if the same widget is required for more than one audience, but different configuration is needed. The widget can be added to the zone more than once and the layer feature can determine which audience can see each widget.	All
Include Surname	Determines whether the user's surname is included in the greeting.	Default is: unticked Tick to enable	All
Password Request Message	The message content displayed in the email body to reference the reset request.	Use the placeholders {0}, {1} and {2} to represent the company name, date and time, respectively. Default is: A password request was received by {0} on {1} {2}.	All
User ID Prompt	The label for the user ID field.	Default is: Your User Id:	All

Email Address Prompt	The label for the user email address field.	Default is: Your Email Address:	All
User Id Prompt	The label for the password reset link field.	Default is: Reset Password:	All
Login Message	The message text displayed in the email body to prompt the user to login again.	Default is: Log in to your account by clicking the reset link above.	All
Reset Link Text	The text displayed for the password reset link.	Default is: Reset password	All
