CODE: CV104
inc GST

-0+

Add to cart

☐ Add to Compare

Where can the Widget be placed?

The widget can be used in the following templates:

- Product List Item Zoned Template
- Cluster Item Zoned Template

Widget Options

Option	Use	Comments	Available from Version
--------	-----	----------	------------------------

Description	A short description of the widget's use.	This description is added to the widget title. It makes the widget's use clear on the template page.	All
Layer	The layer the widget is valid for.	Use layering to limit widget content to certain groups of users. To use the same widget for more than one user group but with different options set, add the widget as many times as needed in the same zone. Then add layering to define the user group each time.	All
GST Prompt	The label used to denote tax.	Default: GST	All
