Displays the title or heading for the Questionnaire results email.

Example of Widget Use

Following is an example of the widget in use:

Where can the Widget be placed?

The widget can be used in the following templates:

- Questionnaire Results Email Template

Widget Options

Option	Use	Comments	Available from Version
Description	A short description of the widget's use.	We recommended this field be updated so the widget's purpose is clear at a glance from the template page.	All

Layer	The layer the widget is valid for.	<p>The layering technology allows for the content to be shown to specific audiences.</p> <p>This is handy if the content is only valid for a certain type of user, or if the same widget is required for more than one audience, but different configuration is needed.</p> <p>The widget can be added to the zone more than once and the layer feature can determine which audience can see each widget.</p>	All
Title Type	<p>The context of the title. Select from:</p> <ul style="list-style-type: none"> Content Title (displays within the body of the email) Head Title (displayed on the browser tab when the user views the email in a browser) Order Title (displayed in the body of the email, along with a data source such as order number, e.g. Order Confirmation emails) 		3.78
