Frequently Asked Questions

Why is my CMS login asking me for a PIN?

We have enforced two-factor authorisation for CMS logins. [Here's the guide to 2FA](#).

Why are stats from the Google Analytics Report different from those in my Commerce Vision Report?

Ever wonder about the differences in the two reports for your site traffic stats? [Here's the answer](#).

Quick Help Videos

Sometimes it's just easier to SHOW something rather than try to explain it! We take you through some of our more frequently-asked questions with quick 2 minute 'How-tos'.

Release Notes

Enhancements and fixes

Our platform is constantly evolving as we add new features and functions and update existing ones.

Check what's in the latest [Release: 2022.3](#).*

* *New releases are now named by YEAR-No, e.g., 2022.3. CSS and CMS are no longer separately released.*
