

Combined note lines in Order History

A new option has been added to the [Track Order Widget](#) ("Consolidate Note Lines?"), which allows note lines to be combined in the order history detail view. This provides a more streamlined, compact view for orders with multiple note lines against products.

Subtotal (Ex GST)

From this:

Line	Product	Order Qty	Unit	Item Price (ex)	Per	Total (ex)
1	 Bowflex Blaze Home Gym Code: CV104 (Each)	2	EACH	\$1,099.99	EACH	\$2,089.98
This is a note about the home gym, which is a test to see how the output is displayed in order history screen. This is for the new widget option to consolidate note lines.						
Toll Ipec Charges						\$0.00
