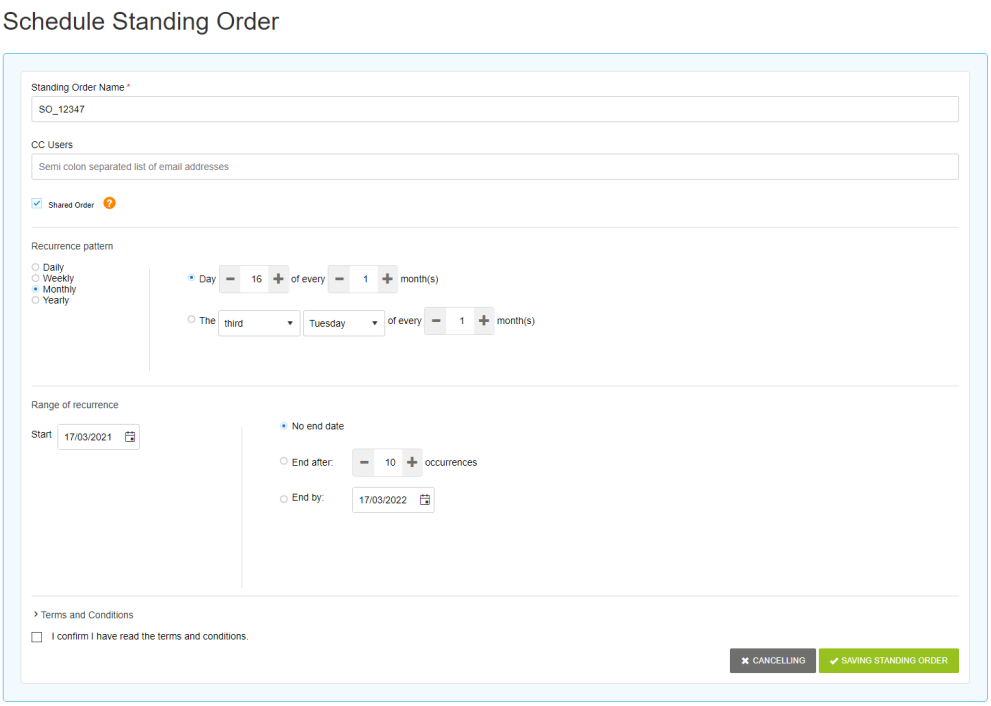
Schedule Standing Order Panel Widget

Widget Use

Renders messaging for the Schedule Standing Order panel as well as allowing a terms and conditions option which the User has to accept when creating a standing order.

Example of Widget Use

Following is an example of the widget in use:



Where can the Widget be placed?

The widget can be used in the following templates:

- Schedule Standing Order Page Template

Widget Options

Option	Use	Comments	Available from Version
Description	A short description of the widget's use.	We recommend this field be updated so the widget's purpose is clear at a glance from the template page.	All

Layer	The layer the widget is valid for.	The layering technology allows for the content to be shown to specific audiences. This is handy if the content is only valid for a certain type of user or if the same widget is required for more than one audience but different configurations are needed. The widget can be added to the zone more than once and the layer feature can determine which audience can see each widget.	All
Terms and Conditions	The terms and conditions text displayed 	Default: blank **NOTE -** if this textbox has no content, the terms and conditions option will not display.	4.08
Require Acceptance of Terms and Conditions	Enables/disables the requirement that the User tick the terms and conditions option	Default: OFF	4.08
Terms and Conditions Acceptance Checkbox Text	Text displayed next to the terms and conditions checkbox. 	Default: I confirm I have read the terms and conditions	4.08
Terms and Conditions Mandatory Message	Text for the popup message that appears when the User tries to save the standing order without ticking the terms and conditions checkbox. 	Default: Please read and accept the terms and conditions.	4.08
Help Information for the Shared Order Checkbox	Text for the help tooltip for the 'Shared Order' checkbox. (Appears when the User hovers their mouse on the icon. 	Default: A shared order can be edited by any user on the same account	4.08
Save Button Prompt	Text for button that saves a new standing order	Default: Save Standing Order	4.08
Cancel Button Prompt	Text for button that cancels the standing order being created	Default: Cancel	4.08
Close Button Prompt :where is this	Text for the button that closes the schedule standing order screen	Default: Close	4.08
