

# Braintree Payments Settings

Completely managed in CMS, the Braintree Payments gateway is ready for use on our Ecommerce platform. Braintree conveniently lets you offer your customers a growing list of payment methods. including credit cards, PayPal, Pay Pal's 4 in 1 (PayPal's Buy Now Pay Later option), Google Pay and Apple Pay.

All transactions are seamlessly integrated and viewable in your Braintree account dashboard. Take advantage of options to save credit cards and PayPal for future purchases and Braintree's advanced fraud protection solutions.

Refer to [Braintree Payments](#) for more information.
